Lakewood College's Medical Billing and Medical Coding Program is a postsecondary certificate program. We allow students 12 months to complete our Medical Billing and Medical Coding Program. However, since it is a self-study online course students are able to complete the program before the allowed time frame. The suggested time frame for completion is 9-12 months. This certificate program offered by Lakewood College is accredited by a national accrediting agency recognized by the Department of Education, which is the Distance Education Training Council. This diploma program is neither a CEU or PDU program. Lakewood College is non profit 501 (c) (3) college.
